

BARN/GARDEN CAT Adoption Survey

All of our Barn/Garden cats have been spayed or neutered, vaccinated (Rabies and FVRCP), microchipped, and ear-tipped. **There is no adoption fee! We strongly encourage the adoption of at least 2 cats for greater success and safety, as they thrive best with a buddy. Barn/Garden Cats require adequate shelter, and daily food and water.** Please see handout *Successful Barn/Garden Cat Integration*.
